Age Group Champions

WOMEN

29 & under: Jayme McLaughlin

Not a lot of runners in this age group. Jayme actually tied with Stephanie Peixoto but since she ran the New Bedford Half Marathon and Stephanie did not, she wins the tiebreaker.

30 to 39: Kate Diogo

Super fast Kate was the class of the field and edged out Kristina da Fonseca with a total of 64 points to Kristine's 56. Kate also won the 29 & Under AG last year.

40 to 49: JoAnn Mathews

The incomparable Joann Mathews bested a large field of talented runners to win this tough age group. The equally speedy Christine Anderson was the runner up.

50 to 59: Kathy Lopes

Kathy battled with Cheryl Healy for most of the year and came away as the winner in this competitive age group by an 86 to 68 margin.

60 to 69: Mary Fitzgibbons

Not many competitors in this age group but Mary (30 points) held off Dorothy Clark (10 points) and win this age group for a third year in a row.

70 & Above: Barbara Belanger

Barbara held off the always-smiling Dot Arnold to win this age group by a score of 20 to 16.

MEN

29 & under: Andrew Ventura

Andrew dominated this age group with 82 points. No one else was even within 60 points of him.

30 to 39: Mark Amaral

The ever-quick Mark Amaral out lasted Rod Borges 84 to 73 with a number of really strong performances.

40 to 49: Sal Carrao

Sal moved up into the over 40 age group after winning the 30 to 39 AG last year and dominated this tough age group with some super fast runs. Like wine, Sal gets better with age.

50 to 59: Peter Danzell

Can someone check his birth certificate? Pete crushed his competitors and put a hurt on most runners half his age. Not surprisingly Pete won this AG last year.

60 to 69: Robert Pina

Another runner dominating his age group (seems like a trend with the men this year), Bob was in a class by himself.

70 & Above: Joe Fernandez

Enough said!

Each winner will receive a super stylish long sleeve t-shirt silk screened with the club's logo.
